

INDEXERS ARE THE GENEALOGIST'S BEST FRIEND

HSGS Web Site. <www.rootsweb.ancestry.com/~usgenweb/mi/iosco/3501hsgs.htm> is the address for our HSGS's indexes on the Internet. The search engine for any Michigan county is <www.rootsweb.ancestry.com/~usgenweb/mi/search.htm>. We currently have 1241 indexes, 29,719 printed pages, and 1,311,819 name citations indexed: If indexes were printed out they would be 9 feet tall and weight 284 pounds. All these files are on HSGS's master file on our computers external drive, & the CD we sell. But only about 94% are on the web site (Which does not include new indexes within the last month, draft indexes not yet finished, & a some administrative corrections). The status of our master indexes & CD follows:

Frieda Hirschenberger president of the Northeast Michigan Genealogical Society of Alpena MI will be the Speaker. She was born in Germany and is fluent in the German language as well as family history. The talk will be given in English, in case you were wondering.

HSGS's URL is being changed: The new URL will take some time to get the bugs out of it. The old URL is still active, but will be delete when the new URL becomes active. The new URL reportedly will be: <http://www.rootsweb.ancestry.com/~usgenweb/mi/iosco/3501htm>. This will require resetting your bookmark if you use a book mark for HSGS.

HSGS's Treasurers Report: Savings \$1,255.87, Checking \$602.82, cash on hand \$25.86, checks on hand \$15.00, = Total \$1,899.5.

Wanted. HSGS needs a copy of the HSGS Newsletter for November 2004.

Glass Negative Scanning Project. This is a joint project between HSGS who did the scanning and indexing and the Iosco County Historical Society & Museum who owned the glass negatives. Scanning of over 4,000 images has been completed. Some editing of the negatives and the indexes are still being done. Next month the new indexes will be completed and placed on our web site. The new indexes include several hundred new entries, and have a much better description of the contents of the negatives. Also next month the statistics including the number of negatives scanned, number of hours spent and the number miles driven to do this project will be given.
