

Indexers Are The Genealogist's Best-Friend

HSGS's Web Site. Our web site is no longer hosted by www.rootsweb.com and is now hosted by it's own USGenWeb server, and has gone through several major changes in the last several months. And again this month there were several changes made. In HSGS's opinion it still needs several more changes that are noted below in italics. Our current Internet address starts with www.usgenweb.org/mi, then the MIGenWeb - Michigan Home Pages opens, then click on the Alphabetical List of Michigan counties and then click on Iosco County. Three tables will appear: (1) Iosco County Resources table, (2) State of Michigan Resources table, and (3) United States National Resources table.

- o **If you wish to do a SIMPLE SEARCH of all Iosco County indexes (including HSGS indexes):** From the Iosco County Resources table go to the search block titled Search the USGenWeb Archives in the lower right corner and enter your search words and click on the word <<Iosco. The Advance Search Menu will come on the screen (For some unknown reason) with your Simple Search results shown below it. *(At this time the index titles do not appear in the search results until you click search results one at a time. We have asked that the index title be made mandatory, or at least optional, rather than the current format which is mostly uninformative).*
- o **If you wish to do an ADVANCE SEARCH of all Iosco County indexes (Including HSGS indexes):** From the Iosco County Resources table go to the search block titled Search the USGenWeb Archives in the lower right corner and click on the word <<Iosco and the Advanced Search Menu will appear. Fill in the options offered on the search menu (Be sure Iosco County is selected) and then click SEARCH and the search result will be presented below the Advance Search Menu. *(At this time the index titles do not appear in the search results until you click search results one at a time. We have asked that the index title be made mandatory, or at least optional, rather than the current format which is mostly uninformative).*
- o **If you wish only to BROWSE all of the HSGS indexes:** Go to the Iosco County Resources table and click on Huron Shores Genealogical Society, and the USGenWeb home page for Iosco County & the Huron Shores Genealogical Society will open. This page is not prepared by HSGS, but by an USGenWeb volunteer, and is badly outdated, except for the first paragraph. In the first paragraph click on the words Main HSGS Index Page (shown in green), and all HSGS indexes will open up for browsing only because there is no search engine available here. *(We have asked that a search engine be made available here).* The Find Button (Ctrl-F) will afford some limited search of all the index titles, and also will afford some limited search of the content when an individual index is opened.
- o **If you wish to READ HSGS Newsletters from 2004-2008:** Go to the Iosco County Resources table and click on Huron Shores Genealogical Society, and the USGenWeb home page for Iosco County & the Huron Shores Genealogical Society will (shown in green) and a list of our newsletters will appear. Select the MS-Word or PDF format and click on the date of the newsletter you want and the newsletter will open.
- o **MIGenWeb Megasearch.** Starting this month, in the lower left corner of the Iosco County Resources table is an item titled MIGenWeb MegaSearch. HSGS has found no explanation given for what this is. It appears it might search all of USGenWeb except the USGenWeb Archives. If anyone knows what this is please advice us. Thanks.

HSGS currently has 1,287 indexes, 30,931 printed pages, and 1,365,461 name citations indexed: If the indexes were printed out they would be about 9 feet tall and weighs about 300 pounds.

All these files are on HSGS's master file on our computers external hard drives, & on a 2-CD set that we sell. But only about 98% are on the web site (Which does not include about 10-20 new indexes within the last month or two, draft indexes not yet finished, & a some administrative corrections). The history and current status of our master indexes & CD follows:

HSGS member and Vice-president Dan Stock is HSGS's Web Master and places our indexes directly on our USGENWEB web site.

Indexes Added This Month:

- o WAFB Warbler 1968(12), 1969(01), 1969(02) & 1970(06). By Marianne Caraway of Oscoda MI.
- o The Herald: 1939(09). By Joan Doerr of Ellicott City MD.
- o List of Iosco County Veterans (Civil War through Korean War- 2,610 veterans who served at home or overseas during the wars). Done by contract, for the City of Tawas City, by HSGS. See www.IoscoVets.org.

New Books This Month:

- o Through the Lens: A Visual History of Bay County. Purchased by HSGS.
- o Alcona County- A Pictorial History Volume II. Purchased by HSGS.

HSGS's Treasurers Report: Cash \$2.69, Savings \$1,066.10, & Checking \$552.12 = Total \$1,620.91.

1903 Plat Book. HSGS has three copies of this plat book, all in poor condition. Val Hendrickson attended our last training session, and a friend of HSGS, selected the best of each page, had them copied and sealed in plastic. We now have a very good and useable copy for our patrons to use. HSGS covered the direct expenses. Thanks much to Val for her volunteer work.

Iosco County Michigan Veteran's Honor Roll Project: The list of veterans from Iosco County who served during wartime, and the web site, are being developed by HSGS under contract with the Tawas City Hall. A test web site has been established at www.IoscoVets.org for several months. A final list of veterans from the Civil War through the Korean was completed and sent to the website on November 30 2008, and Vietnam will be completed in December 2008, which will finish the current contract on time. Comments requested. Thank you.
