Note-1. The sequence of this list is 1st by Topic & 2nd by Title.

Note-2. In column two the entry “indexed” indicates that an alphabetical index or a useable Table of Contents is contained within this resource, or that the resource is organized alphabetically.

Note-3. In column three the entry is the initials of the person or organization that donated the resource to HSGS. This is for HSGS use only therefore the codes are not explained here.
